

**ICPA Annual Workshop**  
February 2024  
**District 6 Report**  
Jim Schnoebelen, District Engineer

# Overview

- **District Organizational updates**
- **District Outlook**
- **Construction Projects Overview**

# District 6 Offices & Garages

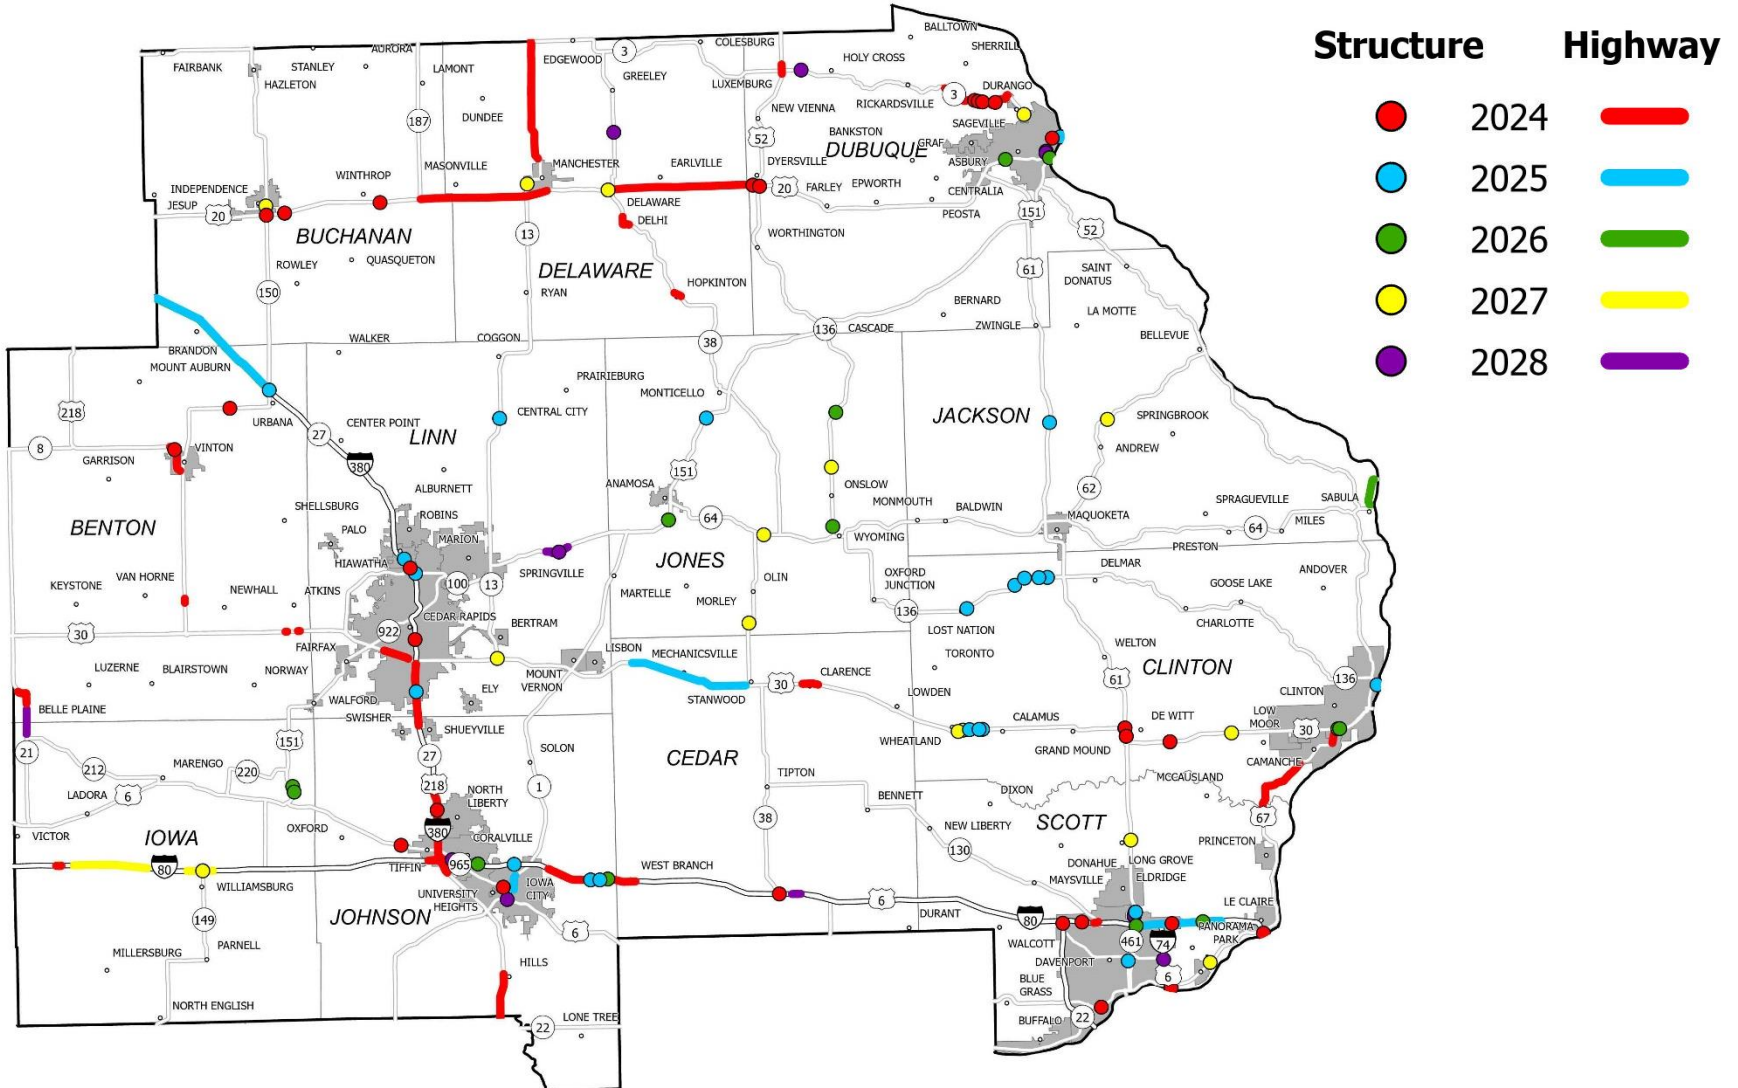

# District 6 Outlook

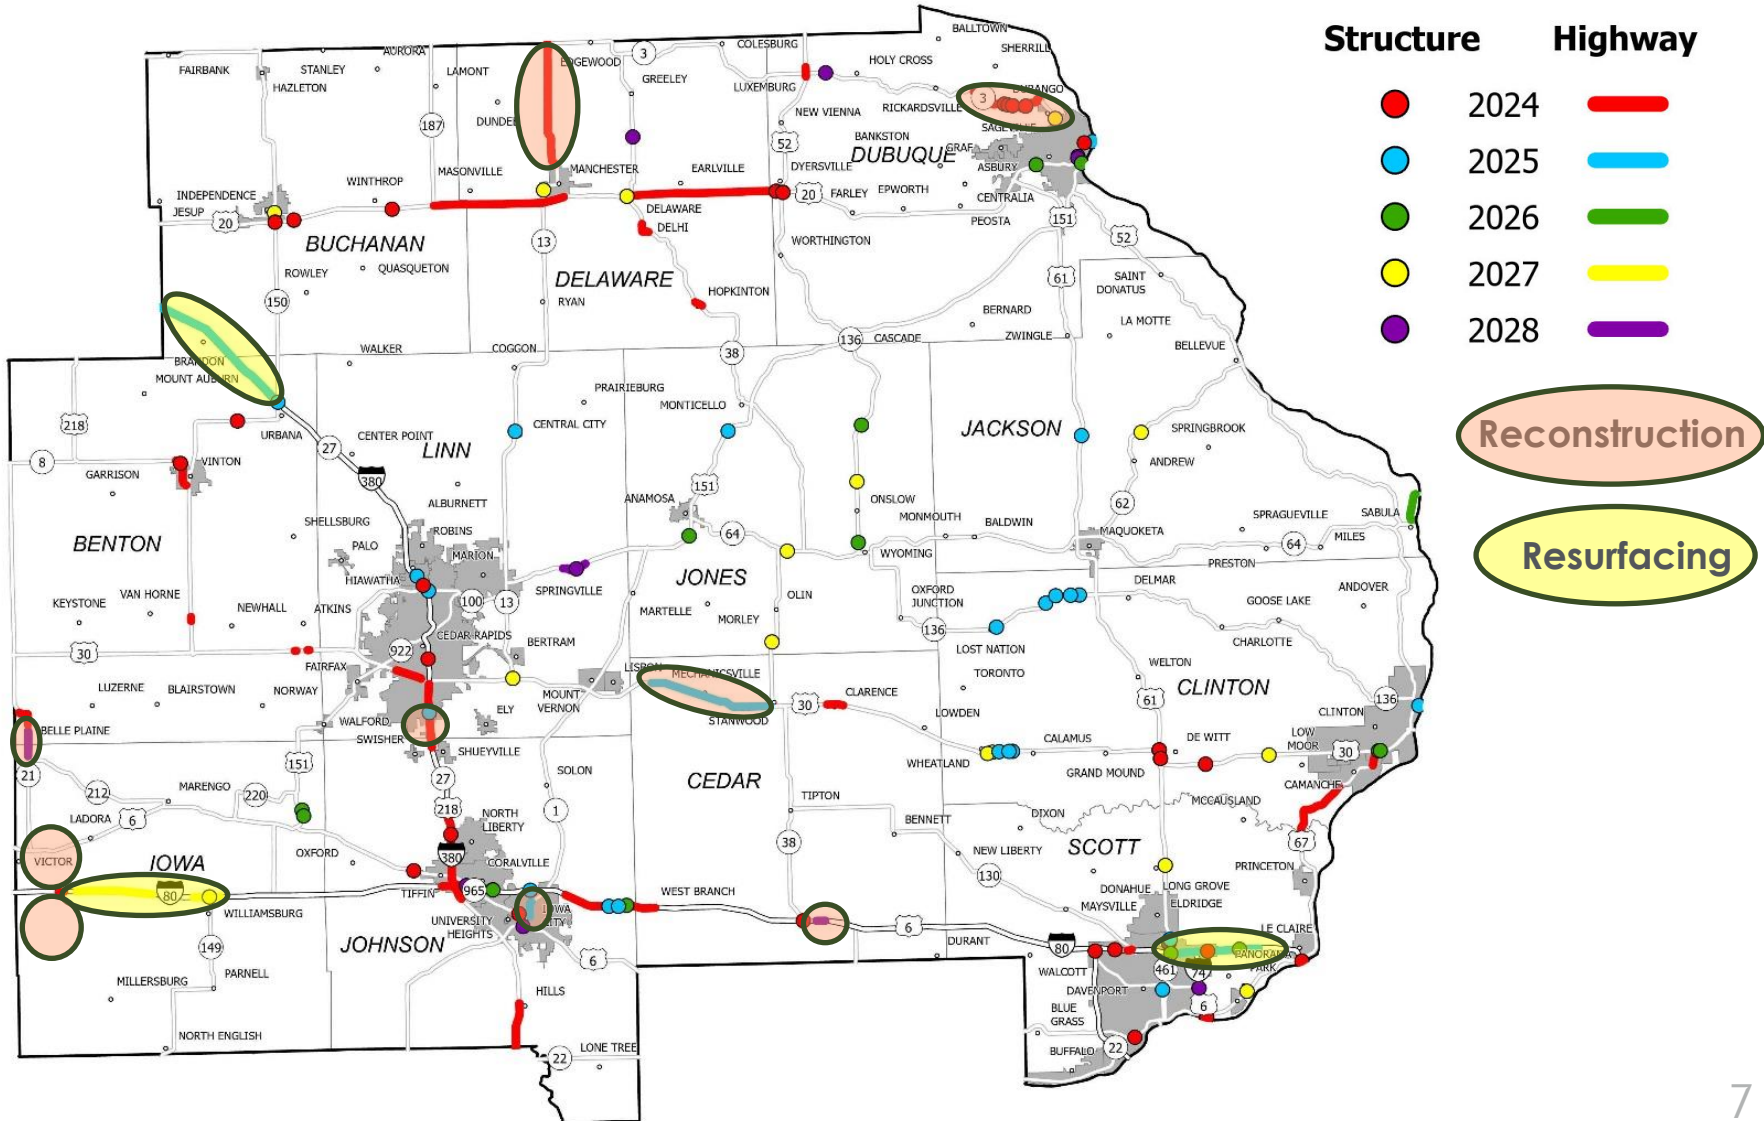

- **Large Construction Work Load Continues**
  - Similar to last year, over 1.2 Billion in 5 Year Program (FY 24 – 28)
- **Continued Focus on Preservation – similar to last program**
  - \$210+M in Paving Rehabilitation
  - \$110+ M in Pavement reconstruction (excluding Capacity projects and Safety projects, does include \$33M for US 52 causeway reconstruction and Rest Area pavement)
  - Over \$110M in Bridge Repairs
    - Continued significant number bridge deck overlays (\$60M)
  - \$87M in bridge replacements (excludes New and Reconstructed Interchanges, Interstate widening, I-80 Mississippi River)
  - \$5M in culverts
- **Still major interstate capacity work on the horizon**
  - I-80, I-380 (more details later)
- **DDI's**
  - Completed Tower Terrace / I-380
  - 1<sup>st</sup> Ave/I80 under construction
  - Have a couple more coming up (I-380 at Boyson Rd and at Wright Brothers)
